Dear Members of the Selection Committee of GHACC,

I am writing to express my strong interest in the position of **President of the Greater Haitian American Chambers of Commerce**. With more than 15 years of executive leadership experience in **Real estate, Construction, Investment, Retail, and business management**, I bring a proven record of fostering growth, building partnerships, and driving strategic initiatives that align closely with the mission of the Greater Haitian American Chamber of Commerce.

As an **entrepreneur and business owner**, I have successfully founded and managed multiple companies, including **Smart Capital Construction & Roofing, Smart Capital Investment Holding, and Simplicity Investment Realty LLC, Select Elite Public Adjusters, Simplify Roofing, and Simplify Mechanical Electrical and Plumbing**. These ventures demanded not only operational excellence, but also visionary leadership—skills that translate directly into advancing a Chamber's goals of supporting member businesses, strengthening the local economy, and advocating for community development.

Highlights of my qualifications include:

- **Business Leadership & Development:** Over a decade of experience building companies from the ground up, negotiating contracts, securing investments, and guiding teams toward measurable growth.
- **Community & Economic Engagement:** Extensive work with local government officials, inspectors, local community leaders, and stakeholders to ensure compliance, foster collaboration, and deliver successful projects that benefit both clients and communities.
- **Diverse Industry Expertise:** Licensed as a **General Contractor, Roofing Contractor, Electrical Contractor, Real Estate Broker, Insurance Agent, Public Adjuster, and Loan Originator**, enabling me to understand and advocate for businesses across multiple sectors.

- **Strong Relationship Management:** Proven ability to recruit, train, and mentor professionals, while maintaining trusted partnerships with investors, clients, and community leaders.
- **Educational Foundation:** Bachelor of Business Administration (Management) from the University of Central Florida and a Master of Divinity, reflecting both my commitment to organizational excellence and service-oriented leadership.

As President of the chamber, I will provide the tools and ideas to strengthen our local commerce, bring the kind of advocacy and leadership that will help to increase our community engagement and in the process, foster economic vitality.

Sincerely,
